

The Next Generation Archive System (NGAS)

Welcome to the NGAS home page. This site has been setup to support the users and developers of the Next Generation Archive System, foster discussions about future features, deployment scenarios, bugs and documentation. Please navigate through the pages and also watch the [Blog entires](#). Registered users can also add new content.

More complete and up-to-date user documentation is available on [Readthedocs](#).

The NGAS Blog:

Blog stream

Create a blog post to share news and announcements with your team and company.
